

# Science Teacher

Cathedral High School in Indianapolis, an independent Catholic college preparatory high school in the Holy Cross Tradition, is seeking a Science teacher to instruct students at various academic levels. The chosen candidate will be hired to begin employment at Cathedral during the 2017-2018 school year.

If interested, download and complete the application from Cathedral's website at [www.gocathedral.com](http://www.gocathedral.com). Please submit all applications with a cover letter, resume, and collegiate transcripts to Dennis Thomas, Vice Principal for Academics at [dthomas@gocathedral.com](mailto:dthomas@gocathedral.com).

Applications are being reviewed now, and the position will remain posted until filled.

## Job Summary

The successful candidate will have extensive knowledge of Science content as well as experience working with students at the High School level. This position is an integral part of Cathedral High School's Science Department and will require the candidate to create a welcoming and engaging classroom environment for all students.

## Desired Qualifications

- Bachelor's degree in education or in the specific content area
- Deep and thorough knowledge of the subject matter; preferably in life sciences and/or physics
- Experience using online resources and other technologies to enhance language learning
- Valid Indiana Teaching License preferred

## Duties & Responsibilities

- Teach 5 sections of science classes
- Work directly with science department as part of a science PLC
- Contribute to the larger school community
