

Product Demo Information

Stand out With an Informative Demo

Why be just another face in the crowd? The Indiana Non-Public Education Conference now has **demonstration space available** for exhibitors! A product demonstration is one of the best sales tools. Through visual support and tangible evidence, you can effectively communicate the positive attributes and usability of your product.

Benefits

- Face-to-face interaction with attendees
- Lead generation
- Build interest and generate a "buzz" for your product
- Ability to answer questions with an opportunity for further discussion
- Be one step ahead of your competitors

Additional Information

8 Demos available

Price: \$500

Location: Trade show floor next to the exhibitor lounge

Demo duration: 20 minutes
